

CSE 2231 – Software 2: Software Development and Design

Professor: Rob LaTour

Project #8: Program and Statement Parser Implementation(s)

Date of Submission: April 7th, 2023

The Ohio State University

College of Engineering

Columbus, Ohio

```

import components.program.Program;
import components.program.Program1;

/**
 * Customized JUnit test fixture for { @code Program1Parse1 }.
 */
public class Program1Parse1Test extends ProgramTest {

    @Override
    protected final Program constructorTest() {
        return new Program1Parse1();
    }

    @Override
    protected final Program constructorRef() {
        return new Program1();
    }

}

```
